

# ATEX explosion-proof furnaces

	<b>Series SL</b>
Power	Electricity
Degree of security	<b>ATEX II 3G</b>
Compliance <b>(Zone 2)</b>	✓
Drying flammable solvents	✓
Forced air circulation	✓

ROMER - Producent wysokiej jakości lakierni proszkowych

Two-channel USB temperature recorder	✓
Number of temperature sensors	MTS 2+
Wall insulation thickness (mm)	240
Ceiling insulation thickness (mm)	300
Number of programs	20
Max. Number of steps in the program	10
Average heating time up to 180 ° C	35min
Door wings qty	2
Diagnostics / update via the internet	✓
Media consumption meter	✓
Stainless steel ceiling elements	✗
Direct heating	✗
Thyristor power regulator	✓
Chamber ventilation system	✓
Explosion-proof locks	✓
Silicone door seal	✓
